Contractors Equipment Schedule Form

1. Policy Holder Name _____

2. City _____

3. Contact Person _____

4. Phone _____ 5. Policy Number _____

IMPORTANT: CONTRACTORS EQUIPMENT LISTED ON THE REVERSE SIDE WITH A VALUE EXCEEDING \$5,000 PER ITEM MUST BE SCHEDULED TO BE INSURED. REMEMBER: ITEMS WITH A VALUE OF \$5,000 OR LESS DO NOT HAVE TO BE LISTED, THEY ARE COVERED AUTOMATICALLY. IF AN ITEM IS NOT LISTED, IT IS NOT CONSIDERED CONTRACTORS EQUIPMENT.

Columns *C-F are **required**. Columns A, B, E-H are **optional**. Complete **either** I or J.

A Site/ Dept.	B Unit #	C* Description of Item	D* Manufacturer	E* Model Number	F* Model Year	G Acquisition Year	H Acquisition Cost	I Estimated ACV ¹	J Estimated Replacement ²

¹ACV (Actual Cash Value) means replacement costs of like kind and quality, less depreciation, based on any or all of the following: age, functional obsolescence, wear and tear.

²Replacement Cost means cost of like kind and quality, new, without deduction for depreciation.

The following items are contractors equipment and must be scheduled to obtain coverage with the Fund if the item exceeds \$5,000 per item. (See detailed instructions.)

Airport Equipment		Paving Equipment	
Aircraft servicing equipment		Asphalt heater	Base plants
Fire fighting equipment		Distributors	Finisher
Snow removal equipment		Mixers	Plants
Asphalt/Concrete Plants		Profilers	Rippers
All Terrain Vehicle		Scarifiers	Screeners
Augerminer		Spreaders	Surge bins
Back Hoes		Tar kettles	Transit mixers
Boats/Motors		Tumblers	
Booster Heaters		Pile Driving Equipment	
Boring Machines		Pipeline Equipment	
Brush Burners		Plow Blades	
Cement Mixers		Plow Wings	
Chippers		Portable Equipment	
Choppers		Compacting eq.	Compressors
Compaction Equipment		Excavators	Generators
Pneumatic rollers	Steel wheel rollers	Pumps	Scales
Tamping compactors	Vibratory compactors	Stages	Tanks
Concrete Saws		Turbines	Water blasters
Conveyers		Pulvamixer	
Core Drill		Pulvi-Mixers	
Cranes		Pumps	
Crack Melter		Railroad Equipment	
Crushing and Aggregate Equipment		Railroad cars	Railroad engines
Derricks		Track service vehicles	
Discs		Road Equipment	
Ditchers		Flushers	Graders
Draglines		Mowers	Oilers
Earth Moving Equipment		Rollers	Scrapers
Crawler loaders	Loader-backhoes	Spreaders	Sweepers
Motor graders	Motor scrapers	Shoulder machines	
Rubber tired loaders	Wheel tractors	Rock Pickers	
End Loader Type Equipment		Road Wideners	
Excavating Pumps		Sand Blasters	
Excavators		Seeders	
Farm Equipment		Sewer Jetters	
Bailers	Combines	Sewer Rodders	
Cultivators	Harvesters	Shovels	
Haybines	Planters	Sludge Trucks	
Spreaders		Sludge Injectors	
Fork Lifts		Snow Grooming Equipment	
Grinders		Snowblowers	
Hauling Equipment (off highway)		Sprayers	
End dumps		Street Sweepers	
Hoisting Machines		Stump Cutters	
Honey Wagons		Sump Pullers	
Hydraulic Breaker		Surge Bins	
Lake Treatment Equipment		Tractors (excluding riding lawnmowers)	
Barges		Trailers, Unlicensed	
Lake sprayers		Tree Movers/Planters	
Weed harvesting equipment		Valve Operator	
Leaf Suckers		Vehicles*	
Lifts		Water Wagons	
Loaders		Welders	
Mulchers		Windrow Eliminators	
Painting Machines		Windrower
